

ADOPT-A-CABIN PROGRAM

Church agrees to take on the responsibility to:

- 1) Pray for those who will be using the cabin.
- 2) Surround the cabin and pray prior to summer season.
- 3) Take on the responsibility of painting and doing some upgrades to the cabin.
- 4) Place a letter from the Pastor, typed on church letter head, and framed to go inside the main meeting room of the cabin.

Notes:

- 1) It is recommended that the church send a representative to the camp to do a "walk through" of available cabins prior to adoption.
- 2) Latham Springs will provide all materials if needed.

Every year, hundreds of kids make a decision for Christ at camp. We invite and encourage our churches to partner with us to provide the best 'spirit-filled' venue for them.
